On the basis of the initial Conversion Price, each euro 50,000 nominal amount of Notes would entitle the holder to receive (subject as provided in these Conditions) 1,272.68 Ordinary Shares. The Conversion Price is subject to adjustment in the circumstances described in Condition 6(b).

A Noteholder may exercise the Conversion Right in respect of a Note by delivering such Note (together with a duly completed Conversion Notice (as defined below)) to the specified office of any Paying, Transfer and Conversion Agent in accordance with Condition 6(g) whereupon the Issuer shall (subject as provided in these Conditions) procure the delivery, to or as directed by the relevant Noteholder of Ordinary Shares credited as paid up in full as provided in this Condition 6.

Subject to, and as provided in these Conditions, the Conversion Right in respect of a Note may be exercised, at the option of the holder thereof, at any time (subject to any applicable fiscal or other laws or regulations and as hereinafter provided) from 15 December 2009 (the **Conversion Commencement Date**) to the close of business (at the place where the relevant Note is delivered for conversion) on the date falling 7 (seven) Trading Days prior to the Final Maturity Date (both days inclusive) or, if the Issuer shall exercise the Issuer Conversion Right pursuant to Condition 6(a)(ii), up to the close of business on the sixth Trading Day prior to the last possible date on which the Issuer Conversion Settlement Period (as defined in Condition 6(a)(ii) could end, unless there shall be default in making payment in respect of such Note on such date fixed for redemption, in which event the Conversion Right shall extend up to (and including) the close of business (at the place aforesaid) on the date on which the full amount of such payment becomes available for payment and notice of such availability has been duly given in accordance with Condition 15 or, if earlier, the Final Maturity Date; provided that, in each case, if the final such date for the exercise of Conversion Rights is not a business day at the place aforesaid, then the period for exercise of the Conversion Right by Noteholders shall end on the immediately preceding business day at the place aforesaid.

Without prejudice to the foregoing paragraph of this Condition 6(a)(i), Conversion Rights may not be exercised in respect of a Note which the relevant holder has either (i) given notice pursuant to Condition 10; or (ii) exercised its right to require the Issuer to redeem pursuant to Condition 7(b).

Conversion Rights may not be exercised by a Noteholder in circumstances where the relevant Conversion Date would fall during the period commencing on the Record Date in respect of any payment of interest on the Notes and ending on the relevant Interest Payment Date (both days inclusive).

The period during which Conversion Rights may (subject as provided below) be exercised by a Noteholder is referred to as the **Conversion Period**.

Conversion Rights may only be exercised in respect of an Authorised Denomination. Where Conversion Rights are exercised in respect of part only of a Note, the old Note shall be cancelled and a new Note for the balance thereof shall be issued in lieu thereof without charge but upon payment by the holder of any taxes, duties and other governmental charges payable in connection therewith and the Registrar will within 7 (seven) business days, in the place of the specified office of the Registrar, following the relevant Conversion Date deliver such new Note to the Noteholder at the specified office of the Registrar or (at the risk and, if mailed at the request of the Noteholder otherwise than by ordinary mail, at the expense of the Noteholder) mail the new Note by uninsured mail to such address as the Noteholder may request.

Fractions of Ordinary Shares will not be issued or delivered on exercise of Conversion Rights or pursuant to Condition 6(d). However, and except where any individual entitlement would be less than euro one (1.00), a cash payment shall be made by the Issuer in respect of any such fraction determined by reference to the Current Market Price (as defined in Condition 6(b)) per Ordinary Share on the Trading Day (as defined in Condition 3) immediately preceding the relevant Conversion Date and the Issuer shall make payment of the relevant amount to the relevant holder not later than 5 (five) Madrid/Barcelona business days (as defined in Condition 3) following the relevant Conversion Date. If the Conversion Right in respect of more than one Note is exercised at any one time such that Ordinary Shares to be delivered on conversion pursuant to Condition 6(d) are to be registered in the same name, the number of such Ordinary Shares to be delivered in respect thereof shall be calculated on the basis of the aggregate nominal amount of such Notes being so converted and rounded down to the nearest whole number of Ordinary Shares.

The Issuer will procure that Ordinary Shares to be delivered or transferred on conversion will be delivered or transferred to the holder of the Notes completing the relevant Conversion Notice or his nominee.

(ii) Issuer Conversion Right

The Issuer shall have the right to convert all but not some only of the Notes into Ordinary Shares at any time on or after the Conversion Commencement Date (the **Issuer Conversion Right**), subject as provided in these Conditions.

The Issuer may exercise the Issuer Conversion Right only:

- (A) at any time on or after 20 November 2012, if the Aggregate Value of a Note in the principal amount of €50,000 on at least 20 (twenty) Trading Days in any period of 30 (thirty) consecutive Trading Days ending not earlier than 5 (five) Trading Days prior to the giving of the relevant Issuer Conversion Notice, exceeds euro 65,000 on such Trading Day; or

- (B) if, at any time prior to the date the relevant Issuer Conversion Notice is given, Conversion Rights shall have been exercised and/or purchases (and corresponding cancellations) and/or redemptions effected in respect of 85% per cent. or more in nominal amount of the Notes originally issued (which shall include any further Notes issued pursuant to Condition 16); or
- (C) on a date not less than 15 (fifteen) nor more than 60 (sixty) days following the end of the Put Period.

As used above, **Aggregate Value** of a Note in the principal amount of €50,000 on a Trading Day means €50,000 divided by the Conversion Price on such day multiplied by the Closing Price of an Ordinary Share as derived from the Relevant Stock Exchange.

For the purposes of Condition 6(a)(ii)(A), if on any Trading Day in such 30 (thirty) Trading Day period the Closing Price on such Trading Day shall have been quoted cum-Distribution (or cum-any other entitlement) the Closing Price of an Ordinary Share on such Trading Day shall be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of any such Distribution or entitlement per Ordinary Share as at the date of first public announcement of such Distribution (or entitlement), which amount shall be determined by an Independent Financial Adviser.

In order to exercise the Issuer Conversion Right, the Issuer shall give notice (an Issuer Conversion Notice) to the Noteholders in accordance with Condition 15.

An Issuer Conversion Notice shall specify:

- (i) the period (the **Issuer Conversion Settlement Period**) during which the date on which the Notes shall be converted and Ordinary Shares delivered to the converting Noteholders shall fall (the **Issuer Conversion Date**), which date shall fall not less than 12 (twelve) nor more than 15 (fifteen) Trading Days after the date of the Issuer Conversion Notice;
- (ii) the Conversion Price, the aggregate principal amount of the Notes outstanding and the closing price of the Ordinary Shares as derived from the Relevant Stock Exchange, in each case as at the latest practicable date prior to publication of the Issuer Conversion Notice; and
- (iii) the Issuer Conversion Settlement Notice Cut-off Date (as defined below).

The Issuer may not exercise the Issuer Conversion Right if an Event of Default shall have occurred and is continuing on or prior to the date of the relevant Issuer Conversion Notice (and, if given, any such Issuer Conversion Notice shall be null and void) and any Issuer Conversion Notice shall be null and void if at any time on or prior to the relevant Issuer Conversion Date an Event of Default shall have occurred and is continuing.

The number of Ordinary Shares to be issued or transferred and delivered on exercise of the Issuer Conversion Right in respect of each €50,000 principal amount of Notes to be converted will be determined by dividing such principal amount by the Conversion Price in effect on the relevant Issuer Conversion Date, provided that fractions of Ordinary Shares will not be delivered on an exercise of the Issuer Conversion Right and no cash payment or other adjustment will be made in lieu thereof. However:

- (a) except where any individual entitlement would be less than euro one (1.00), a cash payment shall be made by the Issuer in respect of any such fraction determined by reference to the Current Market Price per Ordinary Share on the Trading Day immediately preceding the relevant Issuer Conversion Date and the Issuer shall make payment of the relevant amount to the relevant holder not later than 5 (five) Madrid/Barcelona business days (as defined in Condition 3) following the relevant Issuer Conversion Date;
- (b) if one or more Issuer Conversion Settlement Notices and relevant Notes are delivered by not later than the Issuer Conversion Settlement Notice Cut-off Date as provided below such that the Ordinary Shares to be issued or transferred and delivered in respect thereof are to be registered in the same name, the number of such Ordinary Shares to be delivered in respect thereof shall be calculated on the basis of the aggregate principal amount of such Notes being so converted and rounded down to the nearest whole number of Ordinary Shares; and
- (c) where Ordinary Shares are to be issued to the Designated Person pursuant as provided below, the number of Ordinary Shares to be issued and transferred and delivered shall be calculated on the basis of the aggregate principal amount of Notes in respect of which such issue or transfer and delivery is to be made.

If the Issuer exercises the Issuer Conversion Right, the following provisions shall apply:

- (i) In order to obtain delivery of the relevant Ordinary Shares, the relevant Noteholder must deliver a duly completed notice substantially in the form set out in the Fiscal Agency Agreement (the **Issuer Conversion Settlement Notice**) a copy of which may be obtained from the specified office of any Paying, Transfer and Conversion Agent, together with the relevant Notes to the specified office of any Paying, Transfer and Conversion Agent at least 6 (six) Trading Days prior to the last possible day on which the Issuer Conversion Settlement Period could end (the **Issuer Conversion Notice Cut-off Date**). If the delivery of such Issuer Conversion Settlement Notice is made after the end of normal business hours at the specified office of the relevant Paying, Transfer and Conversion Agent or on a day which is not a business day in such place, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day.
- (ii) If the Issuer Conversion Settlement Notice and relevant Notes are not delivered to a Paying, Transfer and Conversion Agent on or before the Issuer Settlement Conversion Notice Cut-off Date, then on the Issuer Conversion Date, the relevant Ordinary Shares will be issued or transferred and delivered to a person (the **Designated Person**) selected by the Issuer which shall be resident for tax purposes in the Kingdom of Spain. The Issuer shall procure that all of such Ordinary Shares shall be sold by or on behalf of the Designated Person as soon as practicable based on advice from an Independent Financial Adviser and subject to any necessary consents being obtained and to the deduction by or on behalf of the Designated Person of any amount payable in respect of its liability to taxation and, subject to subparagraph (vi) below, the payment of any capital, stamp, issue, registration and/or transfer taxes and duties (if any) and any fees or costs incurred by or on behalf of the Designated Person in connection with the issue, allotment and sale thereof the net proceeds of sale

paid to, or to the order of, the Fiscal Agent. The net proceeds of such sale shall be paid to, or to the order of, the Fiscal Agent and such net proceeds shall be held by or on behalf of the Commissioner and distributed rateably to the holders of the relevant Notes in accordance with the provisions of the Agency Agreement and otherwise in such manner and at such time as the Fiscal Agent shall determine and notify to the Noteholders in accordance with Condition 15. Payment of such net proceeds to, or to the order of, the Fiscal Agent shall discharge in full the obligations of the Issuer in respect of the relevant Notes.

- (iii) The Fiscal Agent shall have no liability in respect of the exercise or non exercise of any power or discretion pursuant to subparagraph (ii) above or in respect of any sale of Ordinary Shares or Additional Issuer Conversion Shares, whether for the timing of any such sale or the price at or manner in which any such Ordinary Shares are sold or the inability to sell any such Ordinary Shares or Additional Issuer Conversion Shares.
- (iv) Subject as provided in this Condition 6(a)(ii), an Issuer Conversion Notice shall be irrevocable. Failure to properly complete and deliver an Issuer Conversion Settlement Notice and deliver the relevant Notes may result in such notice being treated as null and void and the Issuer shall in respect of the Notes the subject of such null and void Issuer Conversion Settlement Notice, be entitled to effect settlement in accordance with subparagraph (ii) above. Any determination as to whether such notice has been properly completed and delivered as provided in these Conditions shall be made by the or the Fiscal Agent in its sole and absolute discretion and shall be conclusive and binding on the relevant Noteholders.
- (v) Ordinary Shares to be issued or transferred and delivered as contemplated by this Condition 6(a)(ii) shall be deemed to be issued or transferred and delivered as of the Issuer Conversion Date or, in the case of any Additional Issuer Conversion Shares as of the date the relevant Issuer Conversion Retroactive Adjustment takes effect (each such date an Issuer Conversion Right Reference Date).
- (vi) A Noteholder or the Designated Person must pay (in the case of the Designated Person by means of deduction from the net proceeds of sale referred to in subparagraph (ii) above or from amounts otherwise available to the Designated Person for the purpose) any taxes and capital, stamp, issue and registration and transfer taxes and duties arising on the relevant Ordinary Shares (other than any capital, stamp, issue, registration and transfer taxes and duties payable in the United Kingdom, Spain, Belgium and Luxembourg in respect of the allotment, issue or transfer and delivery of the Ordinary Shares in respect of such exercise (including Additional Issuer Conversion Shares) which shall be paid by the Issuer) and such Noteholder or the Designated Person (as the case may be) must pay (in the case of the Designated Person, by way of deduction from the net proceeds of sale as aforesaid or from amounts otherwise available to the Designated Person for this purpose) all, if any, taxes arising by reference to any disposal or deemed disposal of a Note or interest thereon in connection with such conversion.
- (vii) Ordinary Shares to be issued on exercise of the Issuer Conversion Right will be issued in "book-entry" form eligible for deposit at Iberclear and will be credited to (a) the Iberclear account specified in the Issuer Conversion

Settlement Notice or (b) if a Noteholder does not specify a valid Iberclear account in the Issuer Conversion Settlement Notice, or the relevant Issuer Conversion Settlement Notice is null and void for any other reason (as specified above) the Iberclear account specified by the Designated Person, in each case, on the Issuer Conversion Date.

- (viii) Ordinary Shares to be issued or transferred and delivered pursuant to this Condition 6(a)(ii) will be fully paid and will in all respects rank pari passu with the fully paid Ordinary Shares in issue on the date of the relevant Issuer Conversion Notice or, in the case of Additional Issuer Conversion Shares, the relevant Issuer Conversion Right Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law, and except that such Ordinary Shares or, as the case may be, Additional Issuer Conversion Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the date of the Issuer Conversion Notice or, as the case may be, the relevant Issuer Conversion Right Reference Date.
- (ix) If the date of the Issuer Conversion Notice shall be after the record date in respect of any event giving rise to an adjustment to the Conversion Price pursuant to Condition 6(b), but before the relevant adjustment becomes effective under Condition 6(b) (such adjustment, an **Issuer Conversion Retroactive Adjustment**), then the Issuer shall (conditional upon the relevant adjustment becoming effective) procure that there shall be issued or transferred and delivered to the relevant Noteholder, in accordance with the instructions contained in the relevant Issuer Conversion Settlement Notice or, as the case may be, to the Designated Person, such additional number of Ordinary Shares (if any) (the **Additional Issuer Conversion Shares**) as, together with the Ordinary Shares issued or to be transferred and delivered on conversion of the relevant Note, is equal to the number of Ordinary Shares which would have been required to be issued or delivered on conversion of such Note if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the Issuer Conversion Date. Where such Additional Issuer Conversion Shares are to be issued to the Designated Person, the provisions of subparagraph (ii) above relating to the sale of Ordinary Shares shall apply mutatis mutandis.

(b) Adjustment of Conversion Price

Upon the occurrence of any of the events described in Condition 6(b)(i) to (v) below, the Conversion Price shall be adjusted as follows:

- (i) *Increase of capital by means of capitalisation of reserves, profits or premia by distribution of Ordinary Shares, or division or consolidation of Ordinary Shares:*

Subject to Condition 6(e), in the event of a change in the Issuer's share capital as a result of capitalisation of reserves, profits or premia, by means of the distribution of Ordinary Shares, and in the event of division or consolidation of Ordinary Shares, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such change by the result of the following formula:

$$N_{\text{Old}} / N_{\text{New}}$$

where:

N_{Old} is the number of Ordinary Shares existing before the change in share capital; and

N_{New} is the number of Ordinary Shares existing after the change in share capital.

Such adjustment shall become effective on the date on which such Ordinary Shares are distributed or, in the event of division or consolidation of Ordinary Shares, on the first day the Ordinary Shares are traded on the new basis on the Relevant Stock Exchange.

- (ii) *Issues of Ordinary Shares or Other Securities to Shareholders by way of conferring subscription or purchase rights:*

Subject to Condition 6(e), if (i) the Issuer issues or grants to Shareholders any rights or options, warrants or other rights per Ordinary Share to subscribe for or acquire Ordinary Shares, Other Securities or securities convertible or exchangeable into Ordinary Shares or Other Securities or (ii) any third party with the agreement of the Issuer issues to Shareholders any rights, options or warrants to purchase any Ordinary Shares, Other Securities or securities convertible or exchangeable into Ordinary Shares or Other Securities (the rights referred to in (i) and (ii) collectively and individually being the **Purchase Rights**), in each case in circumstances whereby such Purchase Rights are issued or granted to holders as a class, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue or grant by the result of the following formula:

$$(P_{cum} - R) / P_{cum}$$

where:

P_{cum} is the arithmetic average of the Closing Prices of one Ordinary Share on the 5 (five) consecutive Trading Days ending immediately prior to whichever is the later of (x) the last Trading Day preceding the date on which the Ordinary Shares are first traded ex-Purchase Rights on the Relevant Stock Exchange or (y) the Trading Day when the price for the Purchase Right is announced, or, if the day the subscription or purchase price is announced is not a Trading Day, the next following Trading Day; and

R is the value of the Purchase Right relating to one Ordinary Share or Other Security, such value to be calculated as follows:

- (A) in the event the Purchase Rights relate to Ordinary Shares:

$$R = P_{cum} - TERP$$

where:

$$TERP = (N_{old} \times P_{cum} + N_{new} \times (X_{rights} + Div)) / (N_{old} + N_{new})$$

and:

TERP is the theoretical ex-Purchase Rights price; and

N_{old} is the number of Ordinary Shares existing before the change in share capital; and

N_{new} is the number of Ordinary Shares being newly issued; and

X_{rights} is the price at which one new Ordinary Share can be subscribed, exercised or purchased; and

Div is the amount (in euro), if any, by which the dividend entitlement per existing Ordinary Share exceeds the dividend entitlement per new Ordinary Share, (x) if dividends have already been proposed to the general meeting of Shareholders but not yet paid, based on the proposed dividend amount, or (y) if dividends have not yet been proposed based on the last paid dividend;

provided, however, that no such adjustment shall be made if the subscription or purchase price at which one new Ordinary Share can be subscribed or purchased is at least 95% of the arithmetic average of the Closing Prices of one Ordinary Share on the 5 (five) consecutive Trading Days ending immediately prior to whichever is the later of (x) the last Trading Day preceding the date on which the Ordinary Shares are first traded ex-Purchase Rights on the Relevant Stock Exchange or (y) the Trading Day when the price for the Purchase Right is announced, or, if the day the subscription or purchase price is announced is not a Trading Day, the next following Trading Day;

- (B) in the event the Purchase Rights relate to Other Securities or to securities convertible or exchangeable into Ordinary Shares or Other Securities and where such Purchase Rights are traded on a regulated stock exchange in Switzerland, the European Union, the United States of America, Canada or Japan:

$$R = N_{\text{rights}} \times P_{\text{rights}}$$

where:

N_{rights} is the number of Purchase Rights granted per Ordinary Share; and

P_{rights} is the average of the last paid prices on the Relevant Stock Exchange (or, if no dealing is recorded, the arithmetic mean of the bid and offered prices) on a spot basis of one Purchase Right on each Trading Day during the time period the Purchase Rights are traded, but not longer than the first 10 (ten) Trading Days.

- (C) in all other cases where neither of the previous paragraphs (A) or (B) is applicable:

R will be determined by an Independent Financial Adviser.

Such adjustment shall become effective

- (1) in the case of Condition 6(b)(ii)(A), on the first day on which the Ordinary Shares are traded ex-Purchase Rights on the Relevant Stock Exchange;
- (2) in the case of Condition 6(b)(ii)(B), 5 (five) Trading Days after (x) the end of the period during which the Purchase Rights are

traded or (y) the 10th (tenth) Trading Day of the subscription or purchase period, whichever is sooner; and

- (3) in the case of Condition 6(b)(ii)(C), on the date determined by the Independent Financial Adviser.

(iii) *Issues of Ordinary Shares or Other Securities to Third Parties:*

Subject to Condition 6(e), if (a) the Issuer issues (whether for cash or non-cash consideration or for no consideration) (otherwise than as mentioned in Condition 6(b)(ii) above) to a third party any Ordinary Shares or options, warrants or, Other Securities or securities convertible or exchangeable into Ordinary Shares or Other Securities or (b) any third party with the agreement of the Issuer issues (whether for cash or non-cash consideration or for no consideration) (otherwise than as mentioned in Condition 6(b)(ii) above) to a third party any Ordinary Shares or options, warrants or, Other Securities or securities convertible or exchangeable into Ordinary Shares or Other Securities, in each case in circumstances whereby Purchase Rights are not issued or granted to Shareholders, (the issuance of such securities referred to in (a) and (b) collectively and individually being a **Non Pre-Emptive Issue of Securities**), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue by the result of the following formula:

$$(P_{\text{cum}} - D) / P_{\text{cum}}$$

where:

P_{cum} is the arithmetic average of the Closing Prices of one Ordinary Share on the 5 (five) consecutive Trading Days ending immediately prior to the date of the first public announcement of the terms of the relevant Non Pre-Emptive Issue of Securities; and

D is the dilution as a result of the issue of Ordinary Shares or Other Securities, such dilution to be calculated as follows:

(A) in the event of the issue of Ordinary Shares:

$$D = P_{\text{cum}} - \text{TDP}$$

where:

$$\text{TDP} = (N_{\text{old}} \times P_{\text{cum}} + N_{\text{new}} \times (X_{\text{issue}} + \text{Div})) / (N_{\text{old}} + N_{\text{new}})$$

and:

TDP is the theoretical diluted price; and

N_{old} is the number of Ordinary Shares existing before the change in share capital; and

N_{new} is the number of Ordinary Shares being newly issued; and

X_{issue} is the issue price at which one new Ordinary Share was issued to a third party as determined by an Independent Financial Adviser; and

Div is the amount (in euro), if any, by which the dividend entitlement per existing Ordinary Share exceeds the dividend entitlement per new Ordinary Share, (x) if dividends have

already been proposed to the general meeting of Shareholders but not yet paid, based on the proposed dividend amount, or (y) if dividends have not yet been proposed based on the last paid dividend;

provided, however, that no such adjustment shall be made if the issue price at which one new Ordinary Share is issued is at least 95% of the arithmetic average of the Closing Prices of one Ordinary Share on the 5 (five) consecutive Trading Days ending immediately prior to the Trading Day when the Non Pre-Emptive Issue Securities is announced, or, if the day the Non Pre-Emptive Issue of Securities is announced is not a Trading Day, the next following Trading Day;

(B) in all other cases where the previous paragraph (A) is not applicable:

D will be determined by an Independent Financial Adviser.

Such adjustment shall become effective on the date the relevant security is issued.

(iv) *Spin-offs and capital distributions:*

Subject to Condition 6(e), if in respect of a Spin-Off or a capital distribution (including by way of a reduction in share capital and distribution of any distributable reserve and share premium or the payment of a cash Dividend from Reserves), other than a cash Distribution as referred to in Condition 6(b)(v) below, the Issuer shall issue or distribute to holders of its Ordinary Shares any assets, evidence of indebtedness of the Issuer, shares, put options or other rights per Ordinary Share (other than as referred to in Condition 6(b)(ii) above) (a **Distribution**), the Conversion Price shall be adjusted as follows:

(A) where the Distribution (x) consists of securities that are traded on a regulated stock exchange in Switzerland, the European Union, the United States of America, Canada or Japan or (y) has otherwise a value which is determinable by reference to a stock exchange quotation or otherwise, by multiplying the Conversion Price in force immediately prior to such issue or distribution by the result of the following formula:

$$(P_{\text{cum}} - D) / P_{\text{cum}}$$

where:

P_{cum} is the arithmetic average of the Closing Prices of one Ordinary Share on the 5 (five) consecutive Trading Days ending immediately prior to the date on which the Ordinary Shares are first traded ex-Distribution on the Relevant Stock Exchange following the relevant Distribution; and

D is the value of the Distribution (in euro) attributable to one Ordinary Share on the Trading Day immediately following the date in respect of which P_{cum} has been determined, as determined by an Independent Financial Adviser based, in principle, on the closing price on the Relevant Stock

Exchange in case of 6(b)(iv)(A)(x) or by an Independent Financial Adviser in case of 6(b)(iv)(A)(y);

- (B) in all other cases and where there is one (but not more than one) Distribution on a given Trading Day, by multiplying the Conversion Price in force immediately prior to such Distribution by the result of the following formula:

$$P_{\text{after}} / P_{\text{before}}$$

where:

P_{after} is the Current Market Price per Ordinary Share after the date such Distribution was made (the **Distribution Date**); and

P_{before} is the Current Market Price per Ordinary Share before the Distribution Date;

whereby for the purposes of these Conditions (but other than in respect of this provision) the Current Market Price per Ordinary Share in respect of any Trading Day shall be deemed to be the average of the Closing Prices on each of the 5 (five) consecutive Trading Days ending on the Trading Day immediately preceding such Trading Day and, for the purposes of this provision only, the Current Market Price per Ordinary Share shall be deemed to be the average of the Closing Prices (x) in the case of P_{before} , on the 5 (five) consecutive Trading Days before the Distribution Date, and (y) in the case of P_{after} , on the 5 (five) consecutive Trading Days after the Distribution Date, as determined by an Independent Financial Adviser.

When calculating the average of the Closing Prices, the gross amount, if any, of any cash Distribution paid during either of the above mentioned periods of 5 (five) consecutive Trading Days, shall be added back to the Closing Prices on each of the Trading Days on which the Ordinary Shares are traded ex-cash Distribution; and

- (C) in all other cases where there is more than one such Distribution on a given Trading Day, the Independent Financial Adviser will determine the necessary adjustment.

Such adjustment shall become effective, in the case of (A), on the date on which the Distribution is made and, in the case of (B) and (C), 5 (five) Trading Days after the Distribution Date.

In these Conditions “cash Dividend from Reserves” shall mean the excess, if any, of the aggregate amount of cash dividends paid in

respect of a fiscal year of the Issuer above the distributable profits of the Issuer for such fiscal year.

(v) *Extraordinary Distributions:*

Subject to Condition 6(e), in the event of an Extraordinary Distribution paid after 6 October 2009 other than a cash Dividend from Reserves by the Issuer to holders of its Ordinary Shares, the Conversion Price shall be adjusted by multiplying the Conversion Price by the following fraction:

$$(P_{\text{cum}} - D) / P_{\text{cum}}$$

where:

- P_{cum} is the Closing Price on the Trading Day immediately preceding the date on which the Ordinary Shares are first traded ex-Distribution;
- D is the portion of the Fair Market Value of the Extraordinary Distribution attributable to one Ordinary Share (as adjusted for any split or consolidation of the Ordinary Shares pursuant to Condition 6(b)(i)) paid in the Relevant Fiscal Year (as defined below).

Such adjustment shall become effective on the Trading Day on which the Ordinary Shares are first traded ex-Distribution.

Extraordinary Distribution means any cash Distribution (including any repayments in part of the nominal amount of the Ordinary Shares but not including any distributions for which an adjustment is otherwise made according to Condition 6(b) or 6(d) or is excluded in accordance with Condition 6(e)) (the **Relevant Distribution**) paid in (i) the calendar year 2009, on any date falling after 6 October 2009, whatever the size of such cash Distribution and without reference to the Fair Market Value of such cash Distribution per Ordinary Share exceeding alone, or in aggregate with any other cash Distributions, a Threshold Amount and (ii) any other calendar year referenced below (the **Relevant Fiscal Year**) if the sum of:

- (a) the Fair Market Value of the Relevant Distribution per Ordinary Share; and
- (b) the aggregate of the Fair Market Value per Ordinary Share of any other cash Distribution or cash Distributions per Ordinary Share paid in the Relevant Fiscal Year (disregarding for such purpose any amount previously determined to be an Extraordinary Distribution in the Relevant Fiscal Year).

such sum being the Current Year's Dividends, exceeds the Threshold Amount for such Relevant Fiscal Year, and in such case the amount of the relevant Extraordinary Distribution shall be the lesser of (A) the amount by which the Current Year's Dividends exceeds the Threshold Amount and (B) the amount of the Relevant Distribution.

Threshold Amount means, for any Relevant Fiscal Year, the amount per Ordinary Share corresponding to the fiscal year set out below (adjusted *pro rata* for any adjustments to the Conversion Price made pursuant to the provisions of this Condition 6(b)).

	Threshold Amount (€)
Relevant Fiscal Year ending:	
31 December 2009.....	1.20
31 December 2010.....	1.20
31 December 2011.....	1.20
31 December 2012.....	1.20
31 December 2013.....	1.20
31 December 2014.....	1.20

(c) *Calculation of Adjustments*

Each adjustment to be made pursuant to Condition 6(b) or Condition 7(c) shall be determined by an Independent Financial Adviser appointed by the Issuer and shall (in the absence of manifest error) be binding on all parties concerned. In addition, any written opinion of the Independent Financial Adviser, where required by Condition 6(b), shall be conclusive and binding on all concerned save in the case of manifest error.

If in case of any adjustment the resulting Conversion Price is not an integral multiple of euro 0.01 (one hundredth of a euro), it shall be rounded down to the nearest whole or multiple of euro 0.01 (one hundredth of a euro). No adjustment shall be made to the Conversion Price where such adjustment (rounded down, if applicable) would be less than €0.01 (one hundredth of a euro) Any adjustment not required to be made, and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time.

The Issuer will procure that a notice is published in the manner described in Condition 15 as soon as practicable after either the date on which any adjustment to the Conversion Price becomes effective or, if no adjustment is required, the date on which it is possible to determine that such is the case.

(d) *Retroactive Adjustments*

If the Share Record Date in relation to the conversion of any Note shall be after an adjustment event specified in Condition 6(b), in any case in circumstances where the relevant Conversion Date falls before the relevant adjustment becomes effective under Condition 6(b) (such adjustment, a **Retroactive Adjustment**), then the Issuer shall (conditional upon the relevant adjustment becoming effective) procure that there shall be issued or delivered to the converting Noteholder, in accordance with the instructions contained in the Conversion Notice, such additional number of Ordinary Shares (if any) (the **Additional Ordinary Shares**) as, together with the Ordinary Shares issued or to be issued or delivered on conversion of the relevant Note (together with any fraction of an Ordinary Share not so issued), is equal to the number of Ordinary Shares which would have been required to be issued or delivered on conversion of such Note if the relevant adjustment (more particularly referred to in the said provisions of Condition 6(b), Condition 6(f) or Condition 7(c)) to the Conversion Price had in fact been made and become effective immediately prior to the relevant Conversion Date.

(e) *Events not Giving Rise to Adjustments*

No adjustment to the Conversion Price will be made:

- (i) if the Issuer sells any share, right, warrant or other securities representing the same (an **Interest**) in any of its Subsidiaries to Shareholders at fair value, and for this purpose:
 - (I) where such Interest is listed, traded, or dealt in on any stock exchange, the fair value of such Interest shall be at least 95% of the arithmetic average of the Closing Prices of one Ordinary Share on the 5 (five) consecutive Trading Days ending immediately prior to the day on which the Issuer officially announces the terms and conditions for such sale, as determined by an Independent Financial Adviser;
 - (II) where such Interest is not so listed, traded or dealt in, the fair value of such Interest shall be at least 95% of the intrinsic value thereof. The Issuer shall, at its own expense, instruct an Independent Financial Adviser to determine as soon as practicable the intrinsic value of such Interest; or
- (ii) if Ordinary Shares or Other Securities (including pre-emptive rights, options or warrants in relation to Ordinary Shares or Other Securities) are issued, offered or granted to, or for the benefit of, directors or employees, or former directors or employees or consultants or former consultants of the Issuer or any of its Subsidiaries or any associated company or to trustees to be held for the benefit of any such person in any such case pursuant to any employee share or option scheme; or
- (iii) if an increase in the Conversion Price would result from such adjustment, except in the case of an exchange of the Ordinary Shares for Other Securities or a consolidation of Ordinary Shares; or
- (iv) without prejudice to Condition 11, if the Conversion Price would fall below the nominal value of an Ordinary Share. In this case, the Conversion Price will be adjusted to the nominal value of an Ordinary Share and any remaining reduction of the Conversion Price resulting from such adjustment or from any further adjustment will be carried forward and only be applied if and to the extent the nominal value of an Ordinary Share will be reduced.

(f) *Other Events*

If the Issuer determines, at its discretion, that notwithstanding Condition 6(b) and Condition 6(d) an adjustment should be made to the Conversion Price as a result of one or more events or circumstances not referred to in Condition 6(b) or circumstances including circumstances listed in Condition 6(d) have arisen which have an adverse effect on the right to convert Notes and no adjustment to the Conversion Price under Condition 6(b) would otherwise arise or is excluded according to Condition 6(e), the Issuer shall engage the advice or services of an Independent Financial Adviser to determine as soon as practicable what adjustment, if any, to the Conversion Price or amendment, if any, to the terms of this Condition 6 is fair and reasonable to take account thereof and the date on which such adjustment should take effect. If several events occur which become effective on the same Trading Day and which would lead to an adjustment of the Conversion Price pursuant to Condition 6(b), the decision as to the manner of or calculating the adjustment of the Conversion Price shall be taken by the Independent Financial Adviser. The decision of the Independent Financial Adviser shall be binding on all concerned, save in the case of manifest error. The Fiscal Agent shall have no responsibility to make any inquiries as to whether or not any event has

occurred which might require an adjustment to the Conversion Price or amendment, if any, to the terms of Condition 6.

(g) *Procedure for exercise of Conversion Rights*

The Conversion Right may be exercised by a Noteholder during the Conversion Period by delivering the relevant Note to the specified office of any Paying, Transfer and Conversion Agent, during its usual business hours, accompanied by a duly completed and signed notice of conversion (a **Conversion Notice**) in the form (for the time being current) obtainable from any Paying, Transfer and Conversion Agent. Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in which the specified office of the Paying, Transfer and Conversion Agent to whom the relevant Conversion Notice is delivered is located. If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the relevant Paying, Transfer and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day.

A Conversion Notice, once delivered, shall be irrevocable.

The conversion date in respect of a Note (the **Conversion Date**) shall be the Madrid/Barcelona business day immediately following the date of the delivery of the Notes and the Conversion Notice and, if applicable, the making of any payment to be made as provided below.

A Noteholder exercising a Conversion Right must pay directly to the relevant authorities any taxes and capital, stamp, issue and registration duties arising on conversion (other than any taxes or capital duties or stamp duties payable in the United Kingdom, Luxembourg, Belgium or the Kingdom of Spain in respect of the allotment and issue and/or transfer of any Ordinary Shares on such conversion (including any Additional Ordinary Shares), which shall be paid by the Issuer) and such Noteholder must pay all, if any, taxes arising by reference to any disposal or deemed disposal of a Note or interest therein in connection with such conversion.

The Issuer may, in its own discretion, decide to fulfil its obligations, in connection with any Conversion Notice received, by the transfer of existing Ordinary Shares or, if the New Issue Requirements have been met, the allotment and issue of new Ordinary Shares provided that the Issuer shall treat all Noteholders converting their Notes on the same Conversion Date equally.

For the purposes of these Conditions, **New Issue Requirements** shall comprise the approval by the Issuer's shareholders' meeting of a resolution authorising the Issuer to satisfy the exercise of Conversion Rights by the issue and allotment of new Ordinary Shares and the registration with the relevant Mercantile Registry of such resolution. The Issuer undertakes to give notice promptly to Noteholders (in accordance with Condition 15) of the New Issue Requirements having been met.

Subject as provided in the immediately following paragraph, Conversion Notices will be acted upon by the Issuer on the first day of each calendar month or, if such day is not a Madrid/Barcelona business day, the following Madrid/Barcelona business day, in relation to Conversion Notices in respect of which the Conversion Dates occurred at least 7 (seven) Madrid/Barcelona business days prior to such day. Any Conversion Notice in respect of which the Conversion Date falls after the seventh Madrid/Barcelona business day prior to the first day of the relevant calendar month or if such day is not a

Madrid/Barcelona business day, the following Madrid/Barcelona business day, will be acted upon on the first day of the immediately following calendar month or if such day is not a Madrid/Barcelona business day, the following Madrid/Barcelona business day.

Notwithstanding the provisions of the preceding paragraph, (a) in the case of Conversion Notices delivered in respect of which the Conversion Date falls on any date during December 2009 or January 2010, the Issuer shall act upon any such Conversion Notice on the tenth day of February 2010 or, if such day is not a Madrid/Barcelona business day, the following Madrid/Barcelona business day, and (b) in the case of Conversion Notices delivered in respect of which the Conversion Date falls after the seventh Madrid/Barcelona business day prior to the last calendar month immediately prior to the Final Maturity Date or the last day of the Triggering Event Period (as the case may be), the Issuer shall act upon any such Conversion Notice not later than the Madrid/Barcelona business day prior to the Final Maturity Date or the last day of the Triggering Event Period (as the case may be).

The date upon which the Board of Directors of the Issuer, the Executive Committee (*Comisión Ejecutiva*) of the Issuer or any member of any of them acts upon the relevant Conversion Notice will be the date upon which the Notes are converted into Ordinary Shares and shall be the date from which the relevant Noteholder shall be without prejudice to Condition 6(a)(ii) in relation to Issuer Conversion Rights entitled to the economic rights of a holder of Ordinary Shares and is referred to herein as the **Share Record Date**. On the Share Record Date, subject to the next following sentence, and without prejudice to Condition 6(a)(ii), the relevant Noteholder will become entitled to the economic rights of a Shareholder for the purposes of dividend entitlement and otherwise. However, the relevant Noteholder will not be able to transfer newly-issued Ordinary Shares until they have been registered in Iberclear or existing Ordinary Shares until they have been credited to the account of the relevant Noteholder or its nominee with Iberclear. The date that the newly-issued Ordinary Shares are registered in, or existing Ordinary Shares are credited to, Iberclear, is referred to herein as the **Registry Date**.

The Issuer shall use its reasonable endeavours to register newly-issued Ordinary Shares and have these Ordinary Shares listed on the Spanish Stock Exchanges or credit existing Ordinary Shares (as applicable) in Iberclear as soon as practicable but in no event later than 15 (fifteen) Trading Days, in the case of new Ordinary Shares, and 5 (five) Trading Days, in the case of existing Ordinary Shares, after the relevant Share Record Date.

The Registry Date for existing Ordinary Shares and for newly-issued Ordinary Shares is generally expected to occur between one and two weeks after the relevant Share Record Date.

On or as soon as reasonably practicable after the Share Record Date with respect to any Notes in respect of which the Conversion Right has been exercised, the Issuer, through the Fiscal Agent, will notify the relevant Noteholder of the Share Record Date and the number of existing Ordinary Shares and/or newly-issued Ordinary Shares (as the case may be) to be transferred and/or issued upon such conversion. On or as soon as reasonably practicable after the Registry Date, the Issuer, through the Fiscal Agent, will notify the relevant Noteholder of the Registry Date and in the event that any newly-issued Ordinary Shares are issued, the Issuer will also notify the relevant Noteholder of the date of listing. In the relevant Conversion Notice the Noteholder is required to designate, *inter alia*, details of the Iberclear account and the name or names in which

the newly-issued Ordinary Shares shall be issued and registered (or in the case of existing Ordinary Shares, credited).

Notwithstanding delivery by a Noteholder of a Conversion Notice with respect to any Notes, such Noteholder shall remain a Noteholder for the purposes of and subject to these Conditions until the relevant Share Record Date, provided that once Conversion Rights with respect to a Note have been exercised, such Note will not be redeemable, subject to this Condition 6(g), on the Final Maturity Date or otherwise.

(h) *Ordinary Shares*

- (i) Without prejudice to Condition 6(a)(ii), Ordinary Shares delivered or issued upon conversion of the Notes will be fully paid and will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the relevant Share Record Date or, in the case of Additional Ordinary Shares, on the relevant Reference Date, except that such Ordinary Shares or, as the case may be, Additional Ordinary Shares will not rank for any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Share Record Date or, as the case may be, the relevant date upon which any retroactive adjustment under Condition 6(d) becomes effective (the **Reference Date**).
- (ii) No payment or adjustment shall be made on conversion for any interest which otherwise would have accrued on the relevant Notes since the last Interest Payment Date preceding the Conversion Date relating to such Notes (or, if such Conversion Date falls before the first Interest Payment Date, since the Closing Date).

(i) *Purchase or Redemption of Ordinary Shares*

The Issuer may exercise such rights as it may from time to time enjoy to purchase or redeem or buy back its own shares (including Ordinary Shares) or any depositary or other receipts representing the same without the consent of the Noteholders.

(j) *Consolidation, Amalgamation or Merger*

Without prejudice to Condition 7(c), in the case of any consolidation, amalgamation or merger of the Issuer with any other corporation (other than a consolidation, amalgamation or merger in which the Issuer is the continuing corporation), or in the case of any sale or transfer of all, or substantially all, of the assets of the Issuer, the Issuer will forthwith notify the Noteholders of such event and take such steps as shall be required to ensure that each Note then outstanding will (during the period in which Conversion Rights may be exercised) be converted into the class and amount of shares and other securities property and cash receivable upon such consolidation, amalgamation, merger, sale or transfer by a holder of the number of Ordinary Shares which would have become liable to be issued or delivered if the Conversion Rights had been exercised immediately prior to such consolidation, amalgamation, merger, sale or transfer. The above provisions of this Condition 6(j) will apply, *mutatis mutandis* to any subsequent consolidations, amalgamations, mergers, sales or transfers.

7 Redemption, Purchase and Triggering Event Protections

(a) *Final Redemption*

Unless previously purchased and cancelled, redeemed or converted as herein provided, the Notes will be redeemed at their principal amount on the Final Maturity Date.

(b) *Redemption at the option of Noteholders following a Triggering Event*

From the Subordination End Date if a Triggering Event shall occur, the holder of each Note will have the right to require the Issuer to redeem that Note on the Put Date at the Put Price, together with accrued interest to (but excluding) the Put Date.

To exercise the right set out in the previous paragraph, the holder of the relevant Note must present such Note at the specified office of any Paying, Transfer and Conversion Agent together with a duly completed and signed notice of exercise, in the form for the time being current, obtainable from the specified office of any Paying, Transfer and Conversion Agent (a **Put Exercise Notice**) at any time in the period (the **Put Period**) of 60 days commencing on the occurrence of the Triggering Event (as defined below) and ending 60 days thereafter, or, if later, 60 days following the date upon which notice as required by Condition 7(d) is given to Noteholders by the Issuer. The **Put Date** shall be, the fourteenth calendar day after the expiry of the Put Period.

- (a) not issue or pay up any Securities, in either case by way of capitalisation of profits or reserves, other than:
 - (i) by the issue of fully paid Ordinary Shares to Shareholders and other holders of shares in the capital of the Issuer which by their terms entitle the holders thereof to receive Ordinary Shares or other shares or securities on a capitalisation of profits or reserves; or
 - (ii) by the issue of Ordinary Shares paid up in full (in accordance with applicable law) and issued wholly, ignoring fractional entitlements, in lieu of the whole or part of a cash dividend; or
 - (iii) by the issue of fully paid equity share capital (other than Ordinary Shares) to the holders of equity share capital of the same class and other holders of shares in the capital of the Issuer which by their terms entitle the holders thereof to receive equity share capital (other than Ordinary Shares); or
 - (iv) by the issue of Ordinary Shares or any equity share capital to, or for the benefit of, any employee or former employee, director or executive holding or formerly holding executive office of the Issuer or any of its Subsidiaries or any associated company or to trustees or nominees to be held for the benefit of any such person, in any such case pursuant to an employee, director or executive share or option scheme whether for all employees, directors, or executives or any one or more of them,

unless, in any such case, the same constitutes a Distribution or otherwise gives rise (or would, but for the provisions of Condition 6(c) relating to roundings or the carry forward of adjustments, give rise) to an adjustment to the Conversion Price;

- (b) not in any way modify the rights attaching to the Ordinary Shares with respect to voting, dividends or liquidation nor issue any other class of equity share capital carrying any rights

which are more favourable than the rights attaching to the Ordinary Shares but so that nothing in this Condition 11(b) shall prevent:

- (i) any consolidation, reclassification or subdivision of the Ordinary Shares; or
 - (ii) any issue of Ordinary Shares or any equity share capital to, or for the benefit of, any employee or former employee, director or executive holding or formerly holding executive office of the Issuer or any of its Subsidiaries or any associated company or to trustees or nominees to be held for the benefit of any such person, in any such case pursuant to an employee, director or executive share or option scheme whether for all employees, directors, or executives or any or more of them; or
 - (iii) any modification of such rights which is not, in the opinion of an Independent Financial Adviser (acting as an expert), materially prejudicial to the interests of the holders of the Notes; or
 - (iv) any issue of equity share capital where the issue of such equity share capital results, or would, but for the fact that the consideration per Ordinary Share receivable therefore is at least 95% of the Current Market Price per Ordinary Share, otherwise result, in an adjustment to the Conversion Price; or
 - (v) any issue of equity share capital or modification of rights attaching to the Ordinary Shares, where prior thereto the Issuer shall have instructed an Independent Financial Adviser to determine what (if any) adjustments should be made to the Conversion Price as being fair and reasonable to take account thereof and such Independent Financial Adviser shall have determined either that no adjustment is required or that an adjustment resulting in an increase in the Conversion Price is required and, if so, the new Conversion Price as a result thereof and the basis upon which such adjustment is to be made and, in any such case, the date on which the adjustment shall take effect (and so that the adjustment shall be made and shall take effect accordingly);
- (c) procure that no Securities (whether issued by the Issuer or any Subsidiary of the Issuer or procured by the Issuer or any Subsidiary of the Issuer to be issued or issued by any other person pursuant to any arrangement with the Issuer or any Subsidiary of the Issuer) issued without rights to convert into, or subscribe for, Ordinary Shares shall subsequently be granted such rights exercisable at a consideration per Ordinary Share which is less than 95 per cent. of the Current Market Price per Ordinary Share at the close of business on the last Trading Day preceding the date of the first public announcement of the proposed inclusion of such rights unless the same gives rise to an adjustment to the Conversion Price and that at no time shall there be in issue Ordinary Shares of differing nominal values, save where such Ordinary Shares have the same economic rights;
- (d) not make any issue, grant or distribution or any other action taken if the effect thereof would be that, on the exercise of Conversion Rights, Ordinary Shares could not, under any applicable law then in effect, be legally issued as fully paid;
- (e) not reduce its issued share capital, share premium (*prima de emisión de acciones*) account or capital redemption reserve (*reserva por capital amortizado*) or any uncalled liability in respect thereof, or any non-distributable reserves, except:
- (i) pursuant to the terms of issue of the relevant share capital; or
 - (ii) a reduction of share premium (*prima de emisión de acciones*) account or capital redemption reserve to facilitate the writing off of goodwill arising on consolidation which does not involve the return, either directly or indirectly, of an amount standing to the credit of the share premium (*prima de emisión acciones*) account or capital

redemption reserve (reserva por capital amortizado) of the Issuer and in respect of which the Issuer shall have tendered to the court of competent jurisdiction such undertaking as it may require (if any) limiting, so long as any of the Notes remains outstanding, the extent of any distribution (except by way of capitalisation issue) of any reserve which arise in the books of the Issuer as a result of such reduction; or

- (iii) as permitted under applicable law and whether by way of transfer to reserves or otherwise, as long as no Distribution is made to Shareholders; or
 - (iv) where the reduction is the result of the cancellation of treasury Ordinary Shares (*autocartera*); or
 - (v) where the reduction is permitted by applicable law and either it results in an adjustment to the Conversion Price or the Independent Financial Adviser (acting as expert) advises that the interests of the Noteholders will not be materially prejudiced,
 - (vi) provided that, without prejudice to the other provisions of these Conditions, the Issuer may exercise such rights as they may from time to time enjoy pursuant to applicable law to purchase its Ordinary Shares and any depositary or other receipts or certificates representing Ordinary Shares without the consent of Noteholders;

Governing Law

Save as described below, the Fiscal Agency Agreement and the Notes and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law. The status and subordination of the Notes as described in Condition 1(c) and the provisions of Condition 14 relating to the appointment of the Commissioner and the Syndicate of Noteholders are governed by, and shall be construed in accordance with, Spanish law.

Jurisdiction

The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes and accordingly any legal action or proceedings arising out of or in connection with the Notes (**Proceedings**) may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is made for the benefit of each of the Noteholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

Agent for Service of Process

The Issuer has appointed Law Debenture Corporate Services Limited at its registered office for the time being, currently at Fifth Floor, 100 Wood Street, London, EC2V 7EX as its agent in England to receive service of process in any Proceedings in England. If for any reason the Issuer does not have such an agent in England, it will promptly appoint a substitute process agent and notify the Noteholders of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.
